Misija SIGMA-e povodom sprovođenja ocjene saradnje sa ključnim spoljnim zainteresovanim stranama

Podgorica, 23. septembar 2022. godine - U cilju izrade Strateškog plana razvoja Državne revizorske institucije za period 2023 – 2027. godine, Državna revizorska institucija je uz ekspertsku podršku SIGMA-e – Zajednička inicijativa Organizacije za ekonomsku saradnju i razvoj (OECD) i Evropske unije sprovodi ocjenu saradnje DRI sa ključnim spoljnim zainteresovanim stranama, koja će joj pomoći da stekne razumijevanje o iskustvima, percepciji i očekivanjima spoljnih zainteresovanih strana u vezi sa radom DRI.

Tim povodom, eksperti SIGMA-e su održali sastanke sa predstavnicima ključnih spoljnih zainteresovanih strana – Skupština, Ministarstvo finansija, subjekti revizije koji su uzorkom obuhvaćeni, predstavnici organizacija civilnog sektora, medija i akademske zajednice. Tokom sastanaka sa različitim predstavnicima zainteresovanih strana, razgovaralo se o različitim aspektima saradnje – značaju uloge i rada DRI, uticaju i relevantnosti rada DRI, kvalitetu izvještavanja i komunikaciji sa različitim ciljnim grupama.

Završnom sastanku povodom sprovođenja ocjene saradnje sa ključnim spoljnim zainteresovanim stranama prisustvovali su predsjedavajući Senatom – senator Nikola N. Kovačević, senator Zoran Jelić, sekretarka Institucije Dobrila Glomazić i državna revizorka – rukovoditeljka Odeljenja za kooperativne revizije, međunarodnu saradnju i saradnju sa Skupštinom, Vladom i javnošću Marija Žugić.

Pored intervjua koji su organizovani, u narednom periodu DRI će u saradnji sa ekspertima SIGMA-e uputiti e-istraživanja drugim ključnim predstavnicima zainteresovanih strana kako bi se proširio obuhvat ocjene.

Mission of SIGMA dedicated to assessment of cooperation with key external stakeholders

Podgorica, 23rd September 2022 – With the aim to developing the Strategic development plan of the State audit institution for the period 2023 - 2027, the State audit institution, with the expert support of SIGMA - a joint initiative of the Organization for Economic Cooperation and Development (OECD) and the European Union is conducting an assessment of SAI's cooperation with key external stakeholders, which will provide information about their experience, perceptions and expectations for the SAI's work.

On this occasion, SIGMA experts held meetings with representatives of key external stakeholders - Parliament, Ministry of Finance, audited entities covered by the sample, representatives of civil sector organizations, media and academic society. During the meetings, it was discussed with representatives of different stakeholders about - the importance of the role and work of the SAI; impact and relevance of the SAI's work, quality of reporting and communication with different stakeholders.

The final meeting on the assessment of cooperation with key external stakeholders was attended by the members of the Senate Nikola N. Kovačević and Zoran Jelić, Secretary of the Institution Dobrila Glomazić and state auditor - head of the Department for cooperative audits, international cooperation and cooperation with the Parliament, Government and public Marija Žugić.

In addition to the interviews organized with the key stakeholders, in the forthcoming period the SAI, in cooperation with SIGMA experts will send e-surveys to other key representatives of stakeholders in order to expand the coverage of the assessment.
